He also has a good head and a world of natural fleshing. His first son was a first prize bull at the State Sale in Des Moines this past fall. We are keeping 10 of his daughters in the herd so we are offering him now at a young age. He is a sure breeder and very active.

We will have two crops of calves from him and are certainly pleased with all we have so far. All his calves have been a good roan, except we have had three white ones from light roan cows. To show their quality, we are selling one of his daughters in this sale though she is rather young. Anyone interested in this bull is welcome to come to the farm and see his calves.

COLLYNIE HOAR FROST -- we consider him one of the very top bulls we have ever consigned to Omaha. He has a near perfect head, is wide, thick and well balanced. Has been used in our herd. The seven sires in his pedigree were the type of breeding bulls and were backed by the kind of breeding that has made top records. His dam produced a first prize winner and the second highest seller last Omaha sale at \$1,175 to Swanson Brothers, Bertrand, Nebraska.

Teegardin & Sons, Ashville, Ohio, who mated him to 10 females before we bought him. G. F. Stalwart Leader is an even roan bull with an exceptionally good rear end, is straight in his lines, has a smooth head with plenty of weight for age. He weighed 1,080 on January 10. G F STALWART LEADER 2d - this son of Stalwart Leader 6th has an outstanding head but is smooth, very straight in his lines and possesses wonderful depth of body. He is a mellow fleshed bull that is full and smooth to the tail setting, and short-legged. His dam is by Compact Captain, the bull that did so much for Rocker Brothers at Seward, Nebraska, and who never sired a horned calf even when he was used on horned cows. The dam of this bull, May Rosebud x, is a very heavy milking cow and GF Stalwart Leader 2d weighed 1,200 pounds on January 10.

HILLVIEW BEAUTY -- Pretested and vaccinated for Bangs. Sells open.

## THIS IS THE YEAR FOR YOU TO BUY AT OMAHA

This is the finest group of Polled Shorthorns ever offered at Omaha in its 41 years of annual sales. There are 10 proven sires, including bulls with outstanding breeding and show records. There will be 65 two-year-olds and coming two-year-old bulls and 15 yearling bulls, a total of 90 bulls, all Polled and providing the biggest selection of top quality, well bred, young Polled Shorthorn sires in America.

This year's sale also includes one of the largest offerings of Polled females ever made at Omaha. There will be 5 cows with calves at foot, 13 bred cows and heifers and 13 open heifers. Plenty of foundation material of the highest caliber. Included in the cows with calves at foot and the bred cows and heifers are real foundation animals. The set of open heifers include future show winners and young females of the best quality available to mate to that good, young bull that you own.

Also, don't forget the OMAHA SHORTHORN SALE in this same location on WEDNESDAY, FEBRUARY 15. Selling will be 65 bulls and 12 females.

Plan to spend these two, big, full days at Omaha on February 15 and 16 or take the day of your choice if you are specifically interested in either Shorthorns or Polled Shorthorns.
